

Equal treatment is your right: Also on the housing market

Fair renting-fair living. Berlin's Competence and Advice Center against Discrimination on the Housing Market

- ▶ develops a culture of non-discriminatory letting,
- ▶ strengthens networking and cooperation of relevant actors,
- ▶ provides consultation and accompanies all people who experience discrimination on the Berlin housing market - partial, free and multi-lingual if necessary,
- ▶ works mediatory,
- ▶ provides testings for covered discrimination,
- ▶ documents cases of discrimination in access to housing and in neighborhood conflicts,
- ▶ designs strategies against discrimination on the housing market,
- ▶ offers further education for different target groups.
